(A) Ref: Government Memo.No.1241/49_5 Public (Elections) dated 19-4-49.

****

In the above Government Memo. I have been asked to submit proposals for the employment of Supervisory staff required at the various printing centres in this district. In this connection I invite attention to the proposal contained in para 2 of this Office letter Ref.A11.17589-48-III, dated 31.3.1949, suggesting that the Government may be pleased to sanction a rate of Rs.4-2-0 per page containing the minimum number of 60 lines, for printing the Kannada rolls of this district. Unless this proposal meets the approval of the Government, I submit that it may not be possible to get the entire electoral rolls of this district, printed in this district, as out of about 31 printing presses in this district, only the proprietors of eleven printing presses situated in Udipi, Coondapur and Karkal Taluks, have agreed to undertake the printing of the electoral rolls at the rates fixed by the Government, namely Rs.4-2-0 per page of 84 lines. It is therefore necessary to know the orders of the Government on the above proposal before estimating the staff required for supervising the work of printing the electoral rolls. I shall, therefore, submit proposals for the employment of the supervising staff at the various printing centres in this district on receipt of the orders of the Government on the proposal for revision of the rates fixed by the Government for printing the Kannada rolls of this district.

Yours faithfully,

For Collector. 28/4/49

(2) -Do- No.3667/49-1, -do- d/6-8-1949.

I enclose a statement showing particulars of the special staff required for supervising the work of printing the Kannada rolls of this District and the Malayalam rolls of the Amindivi Islands. The work of printing the rolls is heavy at Mangalore and Udipi centres. Hence the necessity for one Election Dy.Tahsildar in each of the Taluk Offices at Udipi and Mangalore, besides the other staff mentioned. In the other four printing centres, though the work is light, it will not be possible to supervise the work of the Section Writers and also the work printing the rolls at the presses, without special staff, as the ordinary staff is already over-worked. Hence the employment of a L.D.C. in each of the Taluk Offices at Karkal, Coondapur and Kasaragod and the Sub-Taluk Office at Hosdrug, has been proposed.

Yours faithfully,

For Collector.

G.O.Ms.No. 3059 Dated 7.9.49

Elections - New Constitution - Electoral rolls - Printing - Supervision - South Kanara District - Special staff - Sanctioned.

Read the following:-

From the Collector of South Kanara, Ref.No.A. 11/17589-48-III, dated 26.8.49.

ORDER:

H.E. the Governor of Madras sanctions the employment in the taluk offices in the South Kanara District mentioned in Col.(1) below of the temporary staff noted against each in Col.(2) to supervise the printing of electoral rolls under the New Constitution at the private presses in the respective centres.

(1)	(2)
Mangalore Taluk Office.	One Dy.Tahsildar, One U.D. clerk and One peon.
Udipi Taluk Office ..	One U.D. clerk

2. The staff sanctioned above for each centre may be appointed as soon as any press in the centre reports the arrival of the paper required for printing the rolls and may be continued for four months from the date of appointment or till the necessity for the staff ceases, whichever is earlier.

3. The Collector is informed that the main work of the supervisory staff will be the supervision of the work of section-writers employed for proof checking and ~~since~~, with reference to the daily outturn in printing in Mangalore and Udipi centres, the Govt. consider that no larger staff is necessary. The Govt. also consider that the ~~light~~ printing work at Coondapur, Karkal, Kasaragod and Kanhangad centres which is very light can be managed by the respective Tahsildars or Dy.Tahsildars ~~at these centres~~ without the assistance of any special staff. The section-writers to be employed at these four centres should work under the supervision of the Headquarters Dy. Tahsildar or Taluk Head Accountant ~~or Head Clerk~~ where

there is no Headquarters Dy. Tahsildar or Head Clerk where there is no Head Accountant.

4. The Collector is permitted to issue orders to the effect that at fixed intervals, specified by him, or occasionally whenever it is considered necessary, the Election Deputy Tahsildar, Mangalore, should visit the other printing centres to assist the officers at these centres in ensuring that the printing work is done correctly in accordance with the instructions issued by the Govt. The Election Dy. Tahsildar will be eligible for ordinary Travelling Allowance for these tours.

5. The expenditure should be debited to "25. General Administration - Legislative Bodies - F. Elections for Legislatures - A. Elections" under the appropriate sub-heads.

pp 3-5 c.f.

Please see the letter from the Collector of South Kanara on pages 3-5 c.f. The Collector has submitted proposals for the employment of special staff to supervise the printing of electoral rolls under the New Constitution in his district. The Collector's proposals are examined below:-

(1) Mangalore Taluk Office-- The Collector has proposed a staff of one Deputy Tahsildar, one u.d. clerk and one typist. The daily capacity of the presses in this centre in terms of number of voters' names is 2,210 and 10 section writers may have to be employed for proof comparison. It seems that on the scale of staff sanctioned for other districts, a staff of 1 Dy. Tahsildar, 1 u.d. clerk and 1 peon may be necessary for the supervision of the printing work. There is no necessity for the employment of a typist as proposed by the Collector. A staff of one Deputy Tahsildar, one u.d. clerk and one peon may be sanctioned for four months. For orders.

(2) Udipi Taluk Office.- The Collector has proposed a staff of one Deputy Tahsildar, one U.D. Clerk and one typist. The daily capacity of the presses in this centre in terms of number of voters' names is 930 and only 4 section writers may have to be employed for proof comparison. It seems that one U.D. Clerk may be sufficient for their supervision and this may be sanctioned for four months. For orders.

(3) Coondapur, Karkal, Kasargod and Hosdrug centres--

C.P. 1 & 1 amps c.f.

The Collector has proposed one l.d. clerk for each of these centres. The numbers of voters' names printed daily at these centres are 240, 120, 420 and

and 60 respectively, and only two section writers may be employed for proof comparison at each of these centres. The Collector has requested that as the ordinary staff at these centres are over-worked, the employment of an l.d. clerk in each of these centres may be sanctioned. The printing work is very light and it seems that the Tahsildars or Dy. Tahsildar can be managed the work without the assistance of any special staff. The section writers to be employed at Coondapur, Karkal and Kasargod centres may work under the supervision of the Headquarters Deputy Tahsildars ~~T. H. Ds or Head Clerks of taluks~~ where there is no T. H. D. / Taluk Head Assistant).
